

## **2009 CITY WEEKLY CURBSIDE YARD WASTE REMOVAL PROGRAM (\$\$\$)**

Residents desiring to discard yard waste using the City's curbside yard waste removal program must contact City Hall beginning April 1, 2009 to subscribe.

Removal begins Thursday, April 2, 2009 and continues every Thursday until Thursday, October 29, 2009.

The cost for this service is \$175 for the season and the City does a one-time billing for the service in May.

Those subscribing receive a 90 gallon container specifically for yard waste. All yard waste must be in the container, none on the ground or outside of the container. The container should be strictly for yard waste, no garbage or other similar items should be placed in the container and placed by the street side Wednesday evening for Thursday morning removal.

\*Please contact City Hall at (616) 527-4170 ext 210 to subscribe.
